For Immediate Release: March 11, 2009

**DLNR STAFF TO MEET PUBLIC AT SATURDAY STADIUM SWAP MEET
OUTREACH**

HONOLULU – The public is invited to meet DLNR representatives at a public information outreach at the Aloha Stadium Swap Meet on Saturday March 14, 2009, from 7 a.m. to 3 p.m. in Row 4-C, stalls 6 and 8. The stalls are provided as a public service courtesy of Centerplate, the Stadium Swap Meet managing company.

DLNR personnel from the aquatic resources, boating and ocean recreation, conservation and resources enforcement, historic preservation, conservation and coastal lands, forestry and wildlife and state parks divisions will be on hand to share information and answer questions about the departments' wide range of programs and partnerships to manage the state's natural and cultural resources. Various exhibits and displays will also be set up.

Boaters can get live assistance in re-registering their vessels using the Division of Boating and Ocean Recreation on-line vessel registration system.

Lay net fishermen are also invited to register their lay nets between 7 a.m. to 1 p.m. with the Division of Aquatic Resources table.

“The Department of Land and Natural Resources is continuing our public outreach to inform residents and visitors about our ongoing efforts to preserve and enhance Hawaii's natural and cultural resources,” said Laura H. Thielen, DLNR chairperson.

“We have done similar events successfully on other islands and hope to continue to have regular community outreach days in the future at different locations,” she said.

For more information call 587-0320.
